Dear Sir:

Your name has been given as a reference to his professional standing and ability by Charles E. Tefft who desires consideration as a sculptor for a proposed equestrian statue.

I would appreciate very much your giving me some information about him.

Yours sincerely,

Wm Tudor Gardiner

Office of the Governor

Augusta, Maine

Dear Sir:

Referring to your letter of November 8th, Mr. Tefft is a sculptor for whom I have a great deal of personal regard and I fee confident that any work he would undertake would be fulfilled to the best of his ability. My contact with his work has been along the line of his designs for medals so that I am less capable of speaking of his work in the full round than others may be. I believe his work is held in high esteem by those who are in a position to judge.

Very truly yours,

Secretary.
